### Department of Computer Science Report on "Cyber Security Seminar"

In this digital world, where children are increasingly wired to social media and the internet, the concerns of cyber security, cyber bullying, cyber hygiene are pertinent with this notation a one day Seminar on Cyber Security was conducted in YEWS National Senior College for BBA (CA) and BSc (CS), Arts, Commerce, BBA(CA) students and all Faculty members, The Seminar was conducted on **1<sup>st</sup> February 2022** to make aware them all about today's cyber crimes. BSC(CS) department hosted an interactive session by Cyber Security Expert, **Mr. Sunil Sadasivan**. He is a Founder of 'IT HUB and Service' and a master trainer cum consultant- IT(Judiciaries). He has conducted 360+ workshops so far in India. The Seminar was appreciated by 95 students and 13 Staff members. The seminar was started with felicitation of guest by **Dr. S.B. Nahire** sir (Principal of YEWS National Senior College). The session was conducted where he interacted with the students and staff and discussed about the trending apps and games. He explained about the legal aspects of accessing the internet like the legal age, ethics and rules of using social media and gaming. The staff and students were advised to handle real and virtual life judiciously. The audience was introduced to various terminologies like Cyber Bullying, hacking, fishing, cloning, data theft, digital frauds and grooming. The difference between ethical hacking and hacking was clarified to the audience and the consequences of Digital Personification were told. Several case studies were shared with all and they were further sensitized towards privacy and security of data. The Cyber Laws of India were shared with the all. The resource person demonstrated live hacking and made them aware about various ways like two-step verification, comment control, using a strong password, etc that they can adopt in order to avoid Cyber Crimes. He concluded the session by sharing some tips for internet banking and safe online transactions. He also shared the website for reporting Cyber Crimes. Internet is a technology, not a toy and we should harness it carefully. Your safety is in your hands. Stay alert, stay safe!

#### Report “Kali Linux Webinar”

The spread of COVID-19 has affected almost all spheres of human life – physical, emotional, and economic. In India. Like every other crisis, we will ride this tide, adapt, and come out stronger. The pandemic has significantly disrupted the higher education sector as well, which is a critical determinant of a country's economic future. Hence Computer Science Department had organised a **webinar on Kali Linux on 20.11.2021 from 3 pm to 4pm**. The resource person for the Webinar was Mr. Siddhant Gaur working as a certified Ethical Hacker in An Brothers E-Learning pvt. Ltd. 40 Students attended the webinar. The main aim of the webinar was to educate students about Kali Linux, the use of it in real world situations. He stressed on the point that everything is becoming automated, accelerated and augmented and in the near future objects will communicate more often than now.

The session was very much informative. The discussed areas were of great benefit for the students as the topic was very much relevant with the current scenario and working domain. Students were enlightened with the most widely used advance technologies in this domain. The webinar ended with Questionnaire session.

### Department of Computer Science Report on "Python Programming"

A one day webinar on Python Programming was conducted in YEWS National Senior College for BBA (CA) and BSc (Computer science) students, to explore the power and simplicity of python language. This webinar was appreciated by 40 students, as they were able to add another programming language in their technical skill set. The Webinar was conducted on 31<sup>st</sup> January 2022 by the following link <https://meet.google.com/tpp-cdtp-kxq>. The session was started with inaugural speech by **Dr. S.B. Nahire sir** (Principal of YEWS National Senior College). The session was then handled by guest of the webinar Mr. **Deepak Yadu** working in **An Brothers E-Learning Pvt.Ltd**. On the need for importance of python language, Students were taught that python is simple programming language compared to other programming languages. The topics covered were Basic data types and variables, arithmetic operations, strings and operation of strings, data structures such as lists, sets, tuples, dictionaries and range. Installation and use of various modules such as math, matplotlib and numpy were covered. Also, plotting of bar graphs, histograms, pie-charts and scatter plots using matplotlib was covered and trigonometric and logarithmic graphs using numpy was covered. operations on trigonometric functions and logarithmic functions were covered using math and numpy module. Also, plotting of various mathematical functions using numpy and matplotlib was covered. Students were also taught how to modify the various features of a graph, multiple plots, and subplots. Students were also taught about conditional statements, loops, control flow and pattern printing. From this Webinar student gained experience on Python programming and its features. Students learnt the applications of various modules in Python from this they are very well trained with how to use python for application development. Students felt that this value added session on python language development was very much useful for them and they got the basic idea for developing modules using python.

### Report on "Soft Skill Development – How to write effective resume and cover letter"

Business Administration and Computer Application had jointly organised a seminar on "Soft Skill Development – How to write effective resume and cover letter" on 18.12.2021 from 11 am to 12pm. The guest speaker for this seminar was **Dr. Tushar. C. Patil**, M.A, M.Ed., NET, PhD. He has around 13 years of teaching experience. Around 50 students attend the seminar. Skill development program is a programme for overall development of the students, creating skills necessary for enhancing employability of the students. The guest speaker share their experience and success stories. This motivates students for their overall development.

#### Key Insights for Students:

- Interview skill
- How to write a Cover Letter
- Resume
- Resume writing
- Key Skills
- Experience
- Academic Qualification
- Personal Profile
- References

The seminar was very much informative. The seminar ended with Questionnaire session. Feedback for the seminar was also collected.

### Report on "Project Session on PHP & MySQL"

Computer Application had organized a webinar on "Project Session on PHP & MySQL" on 29.01.2022 from 2:00 p.m. to 3:30p.m. The technical expert for this webinar was Mr. Ajinkya (Avinash) pethkar, Software Developer having an experience of 3 years in Spring Boot, Microservices, Angular, PHP, Dot net, Swagger, Docker, Kubernetes, and Jenkins. Currently working in Techswitch India as Software Developer. Around 60 students attend the webinar.

#### Key Insights for Students:

- How create basic web page
- Use of CSS
- How to download & install Xampp server
- How to create Index, header, footer pages
- Menus creation
- Creating Database in MySql
- Connecting Database with web pages
- \$connect,include,\$query function with Demo
- Use of Templates in project.
- how to use Bootstrap Material Design free UI KIT

The session was interactive and positive and was highly appreciate by the students. Instructor was able to connect with the students. Their doubts were answered and the webinar is highly beneficial to the students. Feedback for the webinar was also collected. The students were provided e-certificate. This motivates students for their overall development. This has immense value in the Industry.

### Report on "Two Days workshop on IoT"

**Title of the activity-** Online 2 Days Workshop on IoT

**Purpose and objectives** – The aim of workshop to discuss real life use cases on IoT application and make the session really interactive by providing an opportunity to suggest a solution to real life scenario also has been include to discuss some bonus: IoT demo applications with Arduino, servo motor, Ultrasonic sensor, buzzer. Day ended with the demonstration of live project such as Home Automation, Parking System.

**Organizing Department** – B.B.A. (Computer Application)

**Date** – 5<sup>th</sup> Feb 2022 & 6<sup>th</sup> Feb 2022

**Time** – 11:00a.m. To 2:00p.m.

**Activity convener** – Asst. prof. ShirinManiyar

**Venue** – Seminar Hall/Google Meet

**Guest** – Mr. Ajinkya(Avinash) Pethkar

**Category and Number of participants** – 40

**Promotional material prepared** – Notice with details

Computer Application had organized a 2 Days online workshop on "IoT" on 05.02.2022 & 06.02.2022 from 11:00 a.m. to 2:p.m. The technical expert for this webinar was Mr. Ajinkya (Avinash) pethkar, Software Developer having an experience of 3 years in Spring Boot, Micro services, Angular, PHP, Dot net, Swagger, Docker, Kubernetes, and Jenkins. Currently working in Techswitch India as Software Developer. Around 40 students registered for the workshop. What's App group was created for the registered students for displaying details regarding schedule, workshop link feedback link.

As we know "The Internet of Things (IoT) is a system of interrelated computing devices, mechanical and digital machines, objects, animals or people that are provided with unique identifiers and the ability to transfer data over a network without requiring human-to-human or human-to computer interaction. This workshop provided the updated IOT with all one require to get aware WHAT THE HACK THIS INTERNET OF THINGS IS? "

The workshop involved the concepts to be taught to the students:

- Microcontroller Introduction
- Basic Program
- Servo Motor
- Circuit diagram an Basic Electronics
- Website & database for Home Automation & Smart Parking Projects
- Connecting hardware to Database
- Home Automation System
- Ultrasonic Sensor

- Buzzer
- Parking System Project

The session's was interactive and positive and was highly appreciate by the students. Instructor was able to connect with the students. Their doubts were answered and the workshop is highly beneficial to the students. Feedback for the workshop was also collected. The students were provided e-certificate. This motivates students for their overall development. This has immense value in the Industry.
