Report on "AAGHAZ 2K22 Induction Program"

Induction is the glory of science and sandal of philosophy

The induction program was conducted for the 1st year students as per the curriculum of SPPU University. When new students enter an institution, they come with diverse thoughts, background, and preparations. It is important to help them adjust to the new environment and inculcate in them the ethos of the institution with a sense of large purpose.

The objective of the induction program for students is to make the newly joined students feel comfortable, sensitize and activities, reducing competition and making them work for excellence promote bonding within them, build relations between teachers and students.

The program was organised by department of BBA & BBA-CA on 1st, October 2022 in seminar hall around 109 students participated in the program. The program started with the melodious recitation of Tilawat_e_Quran/Naat which was read by Mr. Shoeb Qureshi, a student of TYBSc(Computer Science).

After this Dr. Semma Jagtap Mam gave detailed information about induction to the fresher students then Principal Dr. Suresh. B. Nahire sir welcomed the students to the institute and congratulates the students to the admission in YEWS National Senior College. He took upon his shoulder the greatest responsibility of introducing the age-old heritage of our society and great history of our institution. He introduced the students to the vision and mission of our institute to focuses on providing quality education to all sector of the society. He highlights all the main and important information of our institute like Laboratory, Library, Sports, Mentoring System, student counselling cell, Student Katta, Guest Lectures or workshops, placement cell. In the end of his speech he said that student should put in hand efforts for next 3 year in order to have a beautiful life ahead.

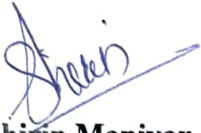

After principal sir speech Physical Education Director Mr. Tousif Mirza sir addresses students about the discipline of the institution. He explain how students have to behave in the public places, College campus, classroom, library, laboratory etc. He said student that the behavior of a person shows his culture and ability. He told the students that the first impression is always the last impression. He told the students that your parents have send here with lots of hard work and efforts so don't waste their efforts by doing wrong things. In the last he wished all the students good luck for the future.

Then institution CEO Mr. L.V.Patil sir addresses students about the Examination rules and regulations. This essential session was conducted to ease the difficulties of the newly admitted students during the process of filling the online exam form. Sir carefully took students through the whole process explaining them stepwise details as they proceed while filling the exam form, then checked their form with their respective mentor or class teacher and then carefully submit that form to admin office.

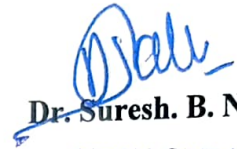

After that Mrs. Smita kad Mam form BBA-CA department explained students about placement. She said training & placement today requires a minimum cutoff of 70% for creator MNC companies, 60%-65% for good companies and 58% for average companies. She said that the students will have to put in hard efforts and prepare themselves enough to standout in the competitive world outside.

After that a **short interaction session of the students** was held in which the students were asked about their difficulties and facilities that they wanted in the institute or other things.

The program reached its final stage with the beautiful vote of thanks speech by **Ms. Ayat Shaikh** from **FYBBA-CA department**.

Report on "PYTHON for Development"

Computer Application had organised a workshop on "PYTHON for Development" on 09.12.2022 from 10 am to 11am. The technical Expert for this workshop was Mr. Sidhhant Gour (MD of AN Brothers ELearning Pvt. Ltd), Mr. Sajid Ansari (Founder & CEO of AN Brothers ELearning Pvt. Ltd), Mr. Aman Singh (Associate Software Architech of AN Brothers ELearning Pvt. Ltd). Around 69 students attend the workshop. This motivates students for their overall development.

Key Insights for Students:

- Python Introduction
- Objectives
- Pre-requisites
- Web Basics
- Virtual Environment Setup
- Flask & Django
- Project structure
- Jinja2 Template Engine
- Simple Registration Page
- Simple Login Page creation

The session was interactive and positive and was highly appreciate by the students. Instructor was able to connect with the students. Their doubts were answered and the webinar is highly beneficial to the students. Feedback for the webinar was also collected. This motivates students for their overall development. This has immense value in the industry.

Report on "Raspberry Pi workshop"

The Department of computer science organized a One -Day Workshop on "Raspberry Pi". The workshop was conducted by TECH2Secure Technologies Pvt Ltd, Nasik on 5th April 2023. All the students of B.Sc(CS) participated in the workshop and enhanced their awareness.

The Program begun at 9.30 am with a welcome note by Nazmin Khan who welcomed the resource person, Mr. Aman Singh. Dr. Suresh nahire sir, Principal, Department HOD, Staff and students participated in the Workshop.

The main objective of this workshop is to demonstrate the hardware and software portion of Raspberry Pi, which is a powerful little beast and a great platform for building low-cost, but highly capable, embedded systems. The interfaces built into its GPIO connector make it easy to bolt on modules using simple low-cost electronics and a bit of configuration to create very functional and flexible systems. This workshop provides details about what exactly Raspberry Pi is, what hardware and software are included, how to write the first program for it and how to get it to interact with a web service on the Internet, Apart from gaining practical skills on the Embedded System Design and Internet of Things.

This workshop intended to familiarize the students with the Raspberry Pi and Arduino as processors and their applications. Students were given an insight into Introduction to Embedded C and Open Source platform system tools, Interfacing of I/O devices, LEDs, Switch, Buzzer. During this session, the students were given an insight into Introduction to R-Pi, Python basics, Software installation, Introduction to IoT, Interfacing of I/O devices, LEDs, Switch, Buzzer and camera interfacing.

Program ended with a closing note to students with a brief note on Embedded System Design using Raspberry Pi and its activities in the skilling and up skilling of professionals. During the valedictory function, students expressed their views and gave feedback about the workshop. Miss Tasnim student of TYBSc.(CS) proposed the vote of thanks.

Report on "Data Science workshop"

Data Science and Machine Learning workshop was conducted on 6th May 2023 by Israr Khan a speaker, software Developer and Architect a very well knowledge resource person in the field of Data Science and Machine Learning. The venue was Seminar Hall room no 54. The Inauguration of the Programme was done by **Dr. Suresh Nahire**. The workshop was conducted from 9.30 am in the morning to 4.30 pm in the evening. The speaker began the workshop by throwing light on the general technological trends and the emergence of machine learning and data science as one of the fastest growing technologies of this time and their need in the current growth rate of data production. The students were also briefed about the general concepts of big data, data mining and machine learning and their types. They were also given valuable insights in the career opportunities available in this field. Following this, a brief introduction and hands on training in programming using R was given where they learnt the central and main concepts required for conducting analytics using R programming language. Post lunch was followed with hands-on machine learning and data analytics using a simple example of Iris dataset using R language. They were also given brief introduction about the various algorithms used for machine learning and data analytics. The speaker also gave valuable insights on interview questions both technical and aptitude. Overall the workshop was very informative and useful where the students gained a brief introduction to kick start their journey in machine learning and data science.
