**STUDENTS FEEDBACK ABOUT THE
TEACHER ACTION TAKEN REPORT**

(2018-2019/2019-20)

Introduction:

Feedback is an essential element of the learning process. The head of the department collects the feedback about the teachers in prescribed format by the students. The feedback collected from the individuals has been analysed and taken to the consideration for the development of curriculum, teaching learning process and environment.

Students' Feedback:

The Students' Feedback on curriculum and teaching learning process at YEWS National senior college, campus is designed to get formative feedback from students that can be used towards the improvements in the quality of course design and delivery, as well as student learning experiences. For the academic year 2018-2019, students' feedback is sought from around 30 students about the curriculum and teaching learning process. Majority of the student population (80%) Strongly agreed that the entire syllabus is completed in time. Majority of the students strongly agreed that the syllabus is covered by the teachers on time. Around 70% of the students agree that teachers encourage participation and discussion in class. It is observed that 70% of the respondents agreed that the evaluation process is fair and unbiased. The students' feedback revealed that 30% of them agreed and 70% strongly agreed to the point that the teachers are available & accessible in the department after lecture timing. Also, majority of students (80%) strongly agreed that the teacher's guide the students for overall personality development of the students.

Analysis:

The data is compiled and analysed through statistical tools. It is given for deliberation to the IQAC Coordinator.
