Academic year 2023-24

**Introduction:**

During the path of Teaching and Learning process, teachers have to deal with different types of students. Some are very bright who understand learn very fast and some are quite weak to learn and grasp the instructions very slowly. Some students need only guidance and some need a hard work and regular guidance. To determine the Abilities in the class, particularly when initiating the higher education and proceeding For graduation, a faculty has to recognize the learning attitudes and learning habits of The students differently so as not to lose attention of slow learners and not to turn off the advance learners. This will also help the teaching departments for proper mentoring of their mentee and to monitoring the progress.

**Process Input:**

To start identification of slow and advanced learners, the following inputs are needed:

- Overall result of previous examination
- Result of internal assessment
- Class observation of subject teacher

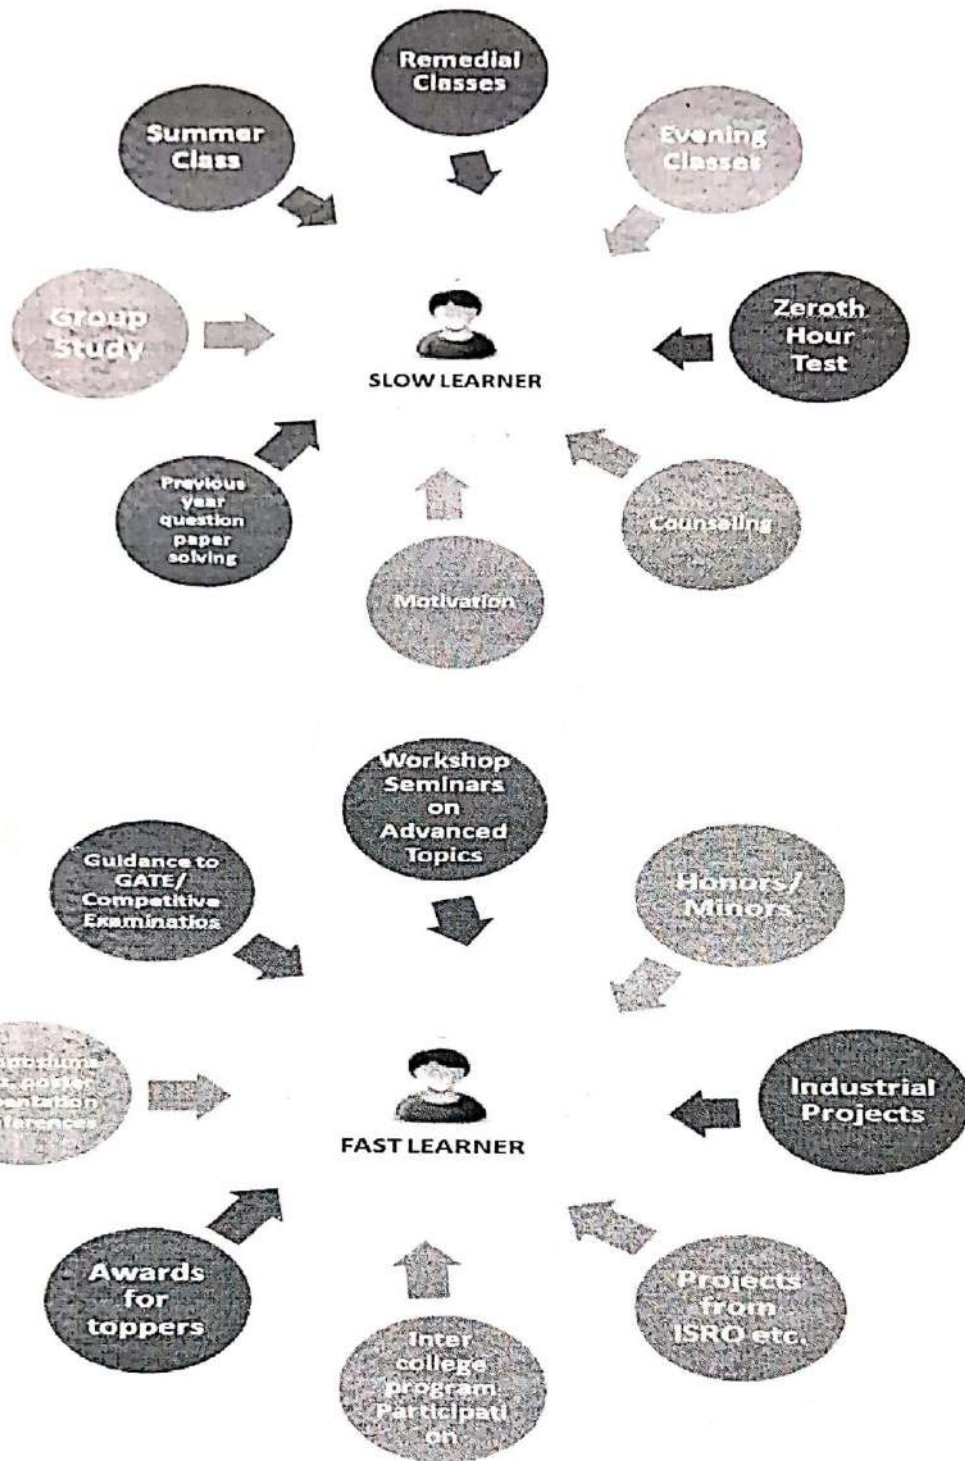

**Support for Slow Learners:**

- ❖ Remedial/ tutorial classes: Faculty should offers remedial courses after the primary level assessment in which extra time is given to students who learn slowly in class by scheduling separate sessions.
- ❖ Additional assignments: Additional assignments are given to them to strengthen their concepts and Understanding in a course.
- ❖ Extra reading materials: Faculty provide extra reading material to improve basic understanding of Subject.
- ❖ Make-up examinations should be conducted to provide an opportunity to students to clear a course in timely manner.

**Support for Advanced/ Average Learners:**

- ❖ Special Sessions: Course teacher should also plan Motivational/carrier counselling sessions.
- ❖ Research project: Course teacher should also motivate advanced learners to involve into research by giving an opportunity to work on various research projects.
- ❖ Trainings/ internships: The advanced learners motivated to attend National/International Seminar/workshop.

Slow And Advance Students

Name Of Students: \_\_\_\_\_

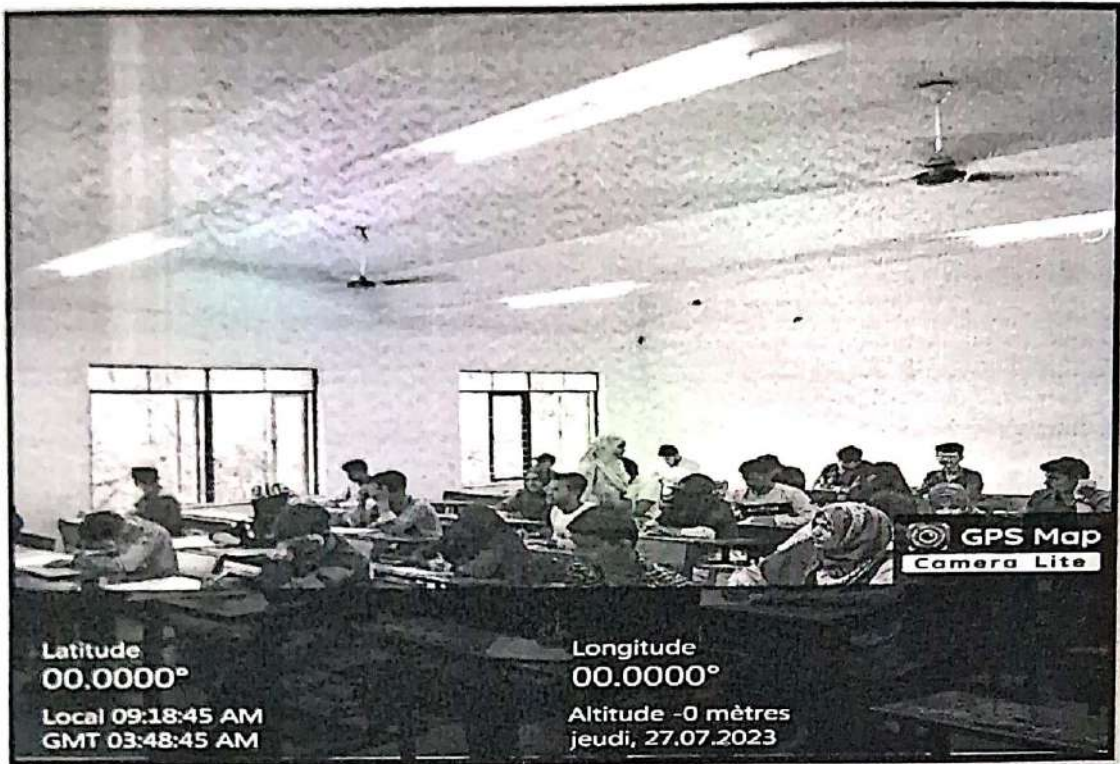

Total Marks: 20

Time:60 minutes

1. Which of the following is the brain of the computer?  
a) Central Processing Unit                      b) Memory  
c) Arithmetic and Logic unit                  d) Control unit
  
2. Who is the father of Computers?  
a) James Gosling                                  b) Charles Babbage  
c) Dennis Ritchie                                  d) Bjarne Stroustrup
  
3. What is the full form of CPU?  
a) Coputer Processing Unit                      b) Computer Principle Unit  
c) Cetral Processing Unit                        d) Control Processing Unit
  
4. Which of the following language does the computer understand?  
a) Computer understands only C Language  
b) Computer understands only Assembly Language  
c) Computer understands only Binary Language  
d) Computer understands only BASIC
  
5. Which of the following is not a characteristic of a computer?  
a) Versatility                                      b) Accuracy  
c) Diligence                                        d) I.Q.
  
6. Which of the following is the smallest unit of data in a computer?  
  
a) Bit      b) KB                      c) Nibble                      d) Byte
  
7. Which of the following monitor looks like a television and are normally used with non-portable computer systems?  
  
a) LED                      b) LCD                      c) CRT                      d) Flat Panel Monitors
  
8. Which of the following is designed to control the operations of a computer?  
a) User    b) Application Software  
c) System Software                              d) Utility Software
  
9. Which of the following are physical devices of a computer?  
a) Hardware                                      b) Software  
c) System Software                              d) Package

**Slow Learners Report: 2023-2024**

During the academic year 2023-24, the department of BBA designed a remedial course for slow learners. The students were identified on the basis of their performance in the **Internal Examination** held in the months of October and November. The students who scored less than 50% and those who were found slow in grasping language skills were considered as slow learners. The Subject Teacher identified the weak areas of students such as, **spelling mistakes**, vocabulary, grammar skills and spoken skills. The Subject Teacher prepared a common syllabus which will satiate the needs of the slow learners. Apart from regular lectures, extra one and half hour lecture was conducted by the subject teacher for 10 days. During these days, the Subject Teacher divided syllabus topics into units and conducted practical based sessions in the class. The teacher also provided students study material such as, **old question papers of the subject, worksheets, e-books, ppts., YouTube videos on topics**. All the difficulties were solved by using the remedial teaching methodology and modern teaching aids. It is observed that the students are weak not only in communication skills subject, but also in other subjects.

**Advanced Learners Report: 2023-24**

During the academic year 2023-24, the advanced learners of the BBA department were identified and special programme were organized for them. The Advanced learners were identified and selected on the basis of their scores in internal Exam and their involvement during the classroom teaching. The students who got marks 70% are taken as advanced learners.

Teachers provided advanced learners additional study materials such as question papers of the concern subjects, e-books, PPTs, video lecture on internet and YouTube videos links. During the period of lectures, teachers recognized that some of the students are extraordinary.(with document ) The students are encouraged to participate in various activities such as Class Seminars, Cultural Programmes, Seminars, and Workshops, guest lectures. The students are also motivated to participate in various inter-colleges Competition such as Debates and Elocution. Special Competitive Exam Guidance lectures are also arranged for advanced learner. Teachers encourage students to join NSS training camp, study tours, field visit and Skill development guidance.

Bridge course Report 2023-24**

During the academic year 2023-24, the department of Commerce designed a remedial course for slow learners. The students were identified on the basis of their performance in the Examination held in the months of October for Bridge course. The students who scored less than 50% and those who were found slow in grasping were considered as slow learners. The Subject Teacher identified the weak areas of students such as Subject knowledge. The Subject Teacher prepared a common syllabus which will satiate the needs of the slow learners. Apart from regular lectures, extra one and half hour lecture was conducted by the subject teacher for 10 days. During these days, the Subject Teacher divided syllabus topics into units and conducted practical based sessions in the class. The teacher also provided students study material such as, old question papers of the subject, worksheets, e-books, ppts., YouTube videos on topics. All the difficulties were solved by using the remedial teaching methodology and modern teaching aids. The progress of the slow learners was evaluated through a test held at the end of the 10 days after teaching and guidance.

Advanced Learners Report: 2023-24 during the academic year 2023-24, the advanced learners of the Commerce department were identified and special programme were organized for them. The Advanced learners were identified and selected on the basis of their scores in Bridge Course Exam and their involvement during the classroom teaching. The students who got marks above 16 marks are taken as advanced learners. Teachers provided advanced learners additional study materials such as question papers of the concern subjects, e-books, PPTs, video lecture on internet and YouTube videos links. During the period of lectures, teachers recognized that some of the students are extra ordinary. The students are encouraged to participate in various activities such as Class Seminars, Cultural Programmes, Seminars, and Workshops, guest lectures. The students are also motivated to participate in various inter-colleges Competition such as Debates. Special Competitive Exam Guidance lectures are also arranged for advanced learner. Teachers encourage students to join NSS training camp, study tours, field visit and Skill development guidance.

**Slow Learners Report: 2023-2024**

During the academic year 2023-24, the department of Commerce designed a remedial course for slow learners. The students were identified on the basis of their performance in the **Internal Examination** held in the months of October and November. The students who scored less than 50% and those who were found slow in grasping accounting skills were considered as slow learners. The Subject Teacher identified the weak areas of students such as, **journal entry mistakes**, wrong side posting, mistakes in principles of accounting. The Subject Teacher prepared a common syllabus which will satiate the needs of the slow learners. Apart from regular lectures, extra one and half hour lecture was conducted by the subject teacher for 10 days. During these days, the Subject Teacher divided syllabus topics into units and conducted practical based sessions in the class. The teacher also provided students study material such as, **old question papers of the subject, worksheets, PPTs., YouTube videos on topics**. All the difficulties were solved by using the remedial teaching methodology and modern teaching aids.

**Advanced Learners Report: 2023-24**

During the academic year 2023-24, the advanced learners of the commerce department were identified and special programme were organized for them. The Advanced learners were identified and selected on the basis of their scores in Internal Exam and their involvement during the classroom teaching. The students who got marks 75% and above are taken as advanced learners.

Teachers provided advanced learners additional study materials such as question papers of the concern subjects, e-books, PPTs, video lecture on internet and YouTube videos links. During the period of lectures, teachers recognized that some of the students are extraordinary (with document). The students are encouraged to participate in various activities such as Class Seminars, Cultural Programmes, Seminars, and Workshops, guest lectures. The students are also motivated to participate in various inter-colleges Competition such as Debates and Elocution. Special Competitive Exam Guidance lectures are also arranged for advanced learner.

---

National Senior College Department of English had organized a **Bridge coaching for F.Y.B.A** students. The program was scheduled for **10 days**. The objective of program was to give the guidelines to students about the course and to bridge the gap between students, English grammar and Communication Skill by English department.

The session started with welcome speech and introduction of speaker given by subject teacher. Then program is continued for 10 days by respective subject experts.

The outcome of the program is to improve knowledge and interest of slow learner students.

## Report for Slow Learners and Advanced Learners (Identification & Activities)

### Introduction:

Within the classrooms faculty have to deal with different types of students; some are very intelligent who learn very fast and some are quite weak who learn very slowly. Therefore, it is required to determine the abilities of the students in the class. Based on the ability determined, some students need only guidance and some students need a hard work and regular attention.

On the basis of their preceding exam performance, current subject performance and class observation, learning speed students can be classified in two groups; advanced learners and slow learners. Each type of students has different learning attitudes and learning habits. A faculty has to adapt a teaching methodology such that he/she may not lose the attention of the slow learners and turn off the advanced learners.

The purpose of assessment of the learning levels of the students and conduction of activities for them is

- Identification of the slow learners and advanced learners in the class
- To ensure that slow learners and advanced learners are taken care as per their needs
- To help them out for improvement in their academics.

### Process Input:

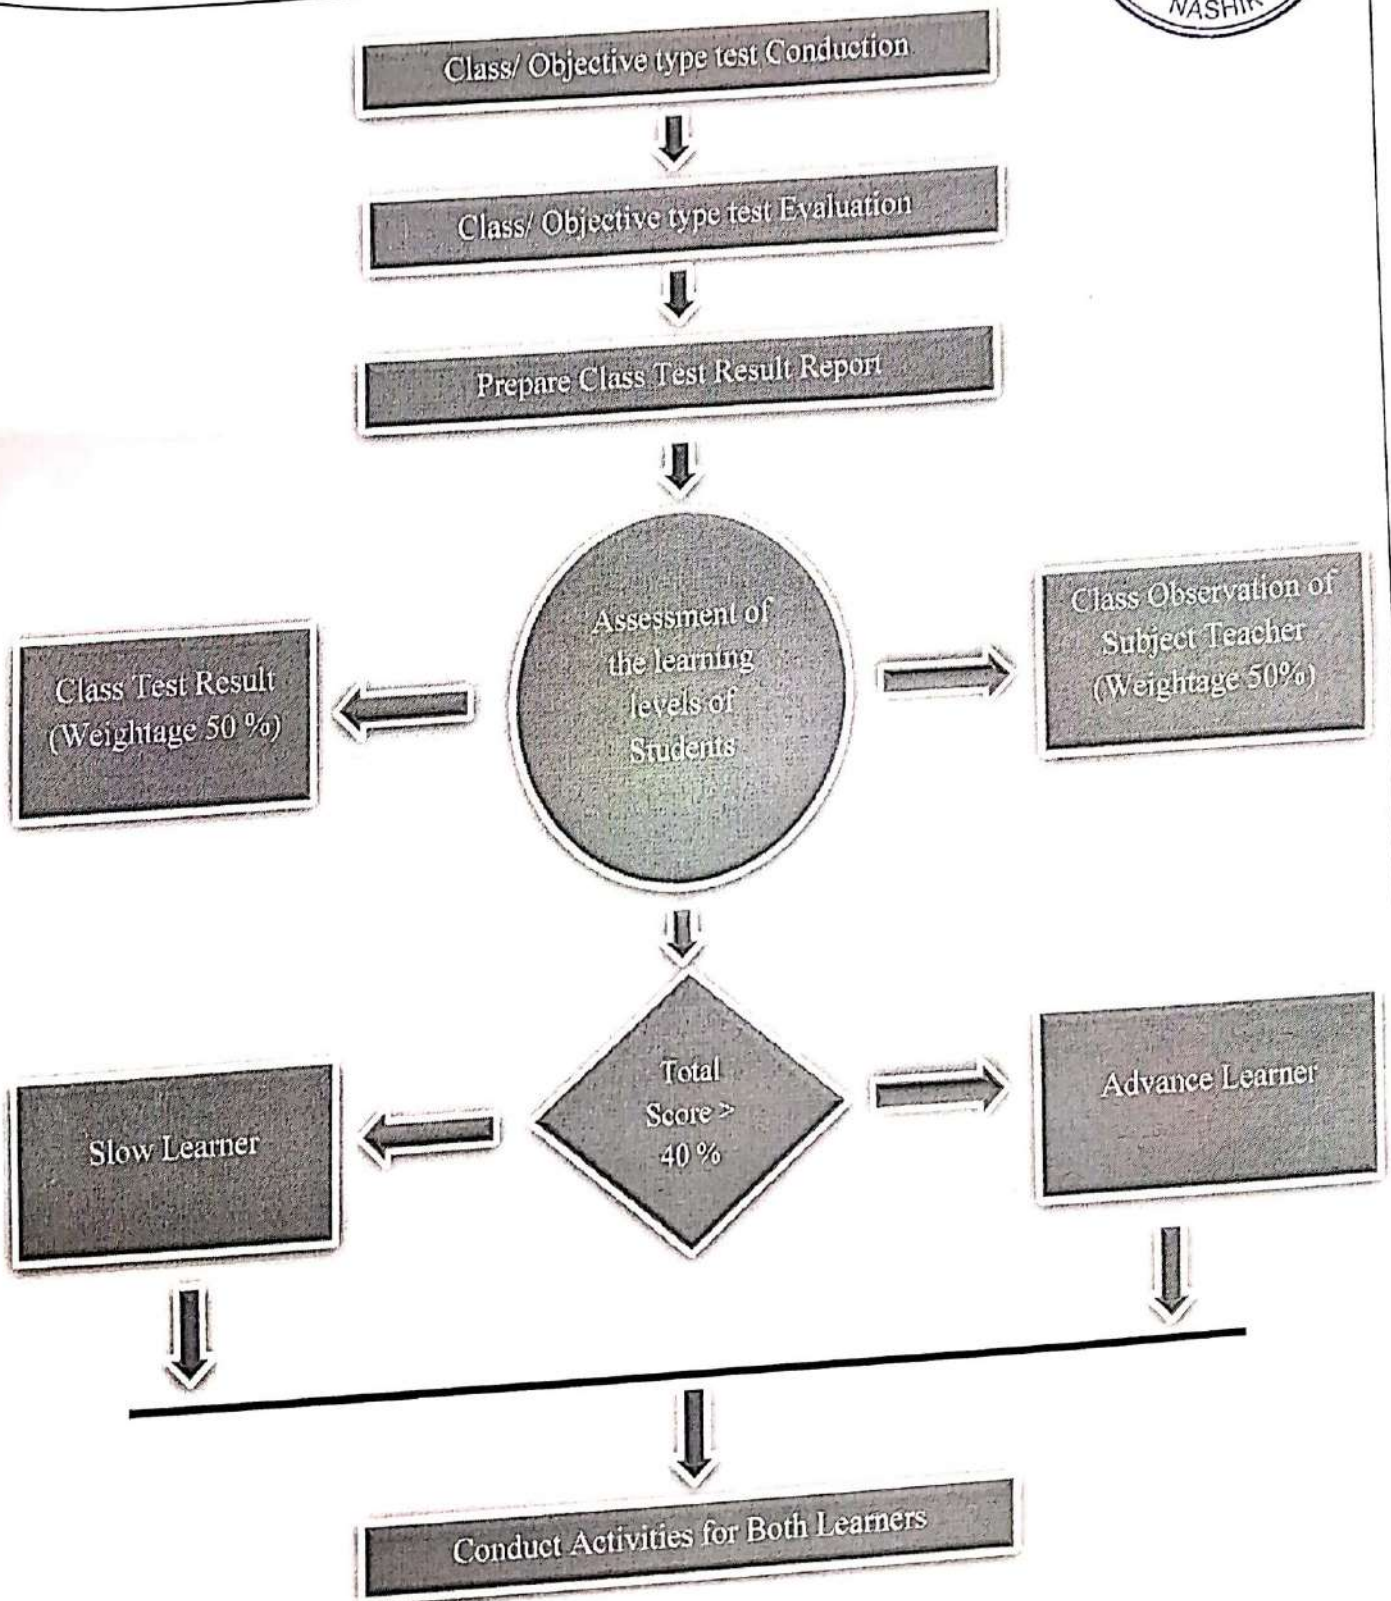

To start identification of slow and advanced learner process following inputs is needed

- Class test/ Objective type test result
- Class observation by subject teacher

Process of Slow learners and Advanced Learners (Identification and Activities):

The process of assessment of the learning levels of the students and conduction of activities for them should be carried out through a systematic procedure as shown in the flow chart and explained in detail as below:

### Assessment of the learning levels of the students:

Slow learner and advanced learners would be identified for each subject separately by respective subject teacher.

Process to identify of slow learners and advanced learners would be conducted immediately after one week of teaching for FY student.

On the basis of observation, it was revealed that the student has difficulty in fundamental of computer and Algorithm and Flowchart subject then conducts objective type test of 20 marks and duration of one hour to identify slow learners and advanced learners

Slow and advanced learners are identified based on following parameters and their weightage.

Sr. No.	Parameter	weightage in Percentage
1	Marks obtained by student in objective type test conducted.	50%
2	Subject teacher observation	50%

Based on above parameter a report would be prepared for whole class for total 100%.

The student securing marks below 40% would be identified as Slow Learners and the student securing marks above 70 % would be identified as Advanced Learners.

After that separate list are prepared for both type of learners for further monitoring and conduction of Special Class.

### Conduction of activities for slow learners:

Provisions should be made in weekly time table by adding extra one hour to conduct problem solving sessions /extra sessions

Personal Attention should be provided by respective subject teacher in teaching

Assignments and solving University question papers

Question bank.

Counselling – special hints and techniques

### Conduction of activities for advanced learners:

Advanced assignments or tasks should be assigned to advanced learners

Encouragement to complete online certificate courses

Encouragement Participation in Seminars/Conferences/Technical Events.

YEWS NATIONAL SENIOR COLLEGE  
Department of Computer Application  
Pre-Bridge Course Test 2023-24  
FUNDAMENTAL OF COMPUTER

Date:

Time: 8:00am to 9:00am

Total Marks: 20

**Instruction:** There are four choice given, select the correct option and fill it, filling of more than one choice will be considered incorrect.

**Q1. Attempt all the following fill in the Blanks**

[1 \* 5 = 5M]

- 1) Integrated circuits(IC's) are related to \_\_\_\_\_ generation of computers.
- 2) Power of binary system of positional value is \_\_\_\_\_.
- 3) \_\_\_\_\_ is an input device.
- 4) Binary digits are also called as \_\_\_\_\_.
- 5) Computer mouse is invented by \_\_\_\_\_.

**Q2. Answer the following question is true or false.**

[1 \* 5 = 5M]

- 1) Charles Babbage is called father of Computer. [       ]
- 2) Abbreviation of COMPUTER is commonly operated machines used in Technical & Education. [       ]
- 3) Primary memory is the brain of the computer. [       ]
- 4) Bits are the smallest units of the data in a Computer. [       ]
- 5) Full Form of CPU is Control Processing Unit. [       ]

**Q2. Answer the following question in short.**

[1 \* 6 = 6M]

- 1) When Vacuum Tube was is invented?
- 2) Enlist Characteristics of Computer.
- 3) Enlist Components of computer.
- 4) Define Computer.
- 5) When Computer Literacy Day was celebrated?
- 6) Define Data & Information.

**Q3. Solve the following question (any 4)**

[1 \* 4 = 4M]

- 1) Convert the Binary no to Decimal no.  $(1100110)_2 = (?)_{10}$
- 2) Convert the Decimal no to Binary no.  $(89.625)_{10} = (?)_2$
- 3) Convert the Octal no to Binary no.  $(546)_8 = (?)_2$
- 4) Convert the Decimal no to Hexadecimal no.  $(114267)_{10} = (?)_{16}$
- 5) Convert the Decimal no to Octal no.  $(897)_{10} = (?)_8$

Mrs. Shirin Maniyar

YEWS NATIONAL SENIOR COLLEGE  
Department of Computer Application  
Post-Bridge Course Test 2023-24  
FUNDAMENTAL OF COMPUTER

Total Marks: 20 Marks

Date:

Time: 8:00am to 9:00am

**Instruction:** There are four choice given, select the correct option and fill it, filling of more than one choice will be considered incorrect.

**Q1. Attempt all the following fill in the Blanks**

[1 \* 5 = 5M]

- 1) \_\_\_\_\_ is an electronic device.
- 2) \_\_\_\_\_ is known as a main memory.
- 3) Program which acts as an interface between a user and the hardware is called \_\_\_\_\_.
- 4) Picture and sound together is an example for \_\_\_\_\_.
- 5) \_\_\_\_\_ memory is faster than main memory

**Q2. Answer the following question is true or false.**

[1 \* 5 = 5M]

- 1) Computer makes mistakes. [       ]
- 2) Binary value of 303 is 0011000011. [       ]
- 3) Restarting a computer is called soft booting. [       ]
- 4) A system that can process two or more programs is called Multiprogramming. [       ]
- 5) ROM is a volatile memory [       ]

**Q2. Answer the following question in short.**

[1 \* 6 = 6M]

- 1) Define Software?
- 2) Enlist types of Booting.
- 3) Full form of FAT file.
- 4) Explain Primary Memory & Cache Memory.
- 5) Enlist generation of Computers?
- 6) Differentiate between disk and drive.

**Q3. Solve the following question (any 4)**

[1 \* 4 = 4M]

- 1) Convert the given Octal number to Binary no.  $(447)_8 = (?)_2$
- 2) Convert the Decimal no to Binary no.  $(13.15)_{10} = (?)_2$
- 3) Convert the Octal no to Decimal no.  $(1334)_8 = (?)_{10}$
- 4) Convert the Hexadecimal no to Decimal no.  $(1B6)_{16} = (?)_{10}$
- 5) Convert the Binary no to Octal no.  $(1010101)_2 = (?)_8$

## BRIDGE COURSE REPORT 2023-24

---

# **DEPARTMENT OF SCIENCE**

## **REPORT ON SLOW LEARNERS & ADVANCED LEARNERS 2023-24**

[\(Department Learning Dynamics\)](#)

***In the B.Sc. department, slow learner students may benefit from personalized attention, additional resources, and varied teaching methods. Advanced learners might thrive with advanced materials, opportunities for independent study, and challenges beyond the standard curriculum. Balancing support for both groups ensures an inclusive and effective learning environment.***

[Title: Understanding the Varied Pace of Learning in the BSc Department](#)

[Introduction:](#)

***The BSc department encompasses a diverse range of students, each with unique learning styles and paces. This report aims to shed light on the characteristics, challenges, and strategies associated with both slow learner and advanced learner students within this academic domain.***

### [Slow Learner Students](#)

[Characteristics:](#)

- ❖ Progress at a slower pace in grasping new concepts.
- ❖ Benefit from personalized attention and additional support.
- ❖ May require alternative teaching methods and reinforced foundational knowledge.

### Challenges:

- Potential frustration and demotivation.
- Difficulty in keeping up with the standard curriculum.
- Increased need for individualized assessment and feedback.

### Strategies:

- ✓ Implementing differentiated instruction.
- ✓ Offering supplementary resources and tutoring.
- ✓ Fostering a supportive and inclusive learning environment.

## *Advanced Learner Students*

### Characteristics:

- ❖ Quick assimilation of information and concepts.
- ❖ Display a natural curiosity and desire for advanced material.
- ❖ Thrive on challenges that extend beyond the standard curriculum.

### Challenges:

- Risk of boredom and disengagement if not appropriately challenged.
- Potential gaps in foundational knowledge due to rapid progression.
- Need for opportunities for independent study.

### Strategies:

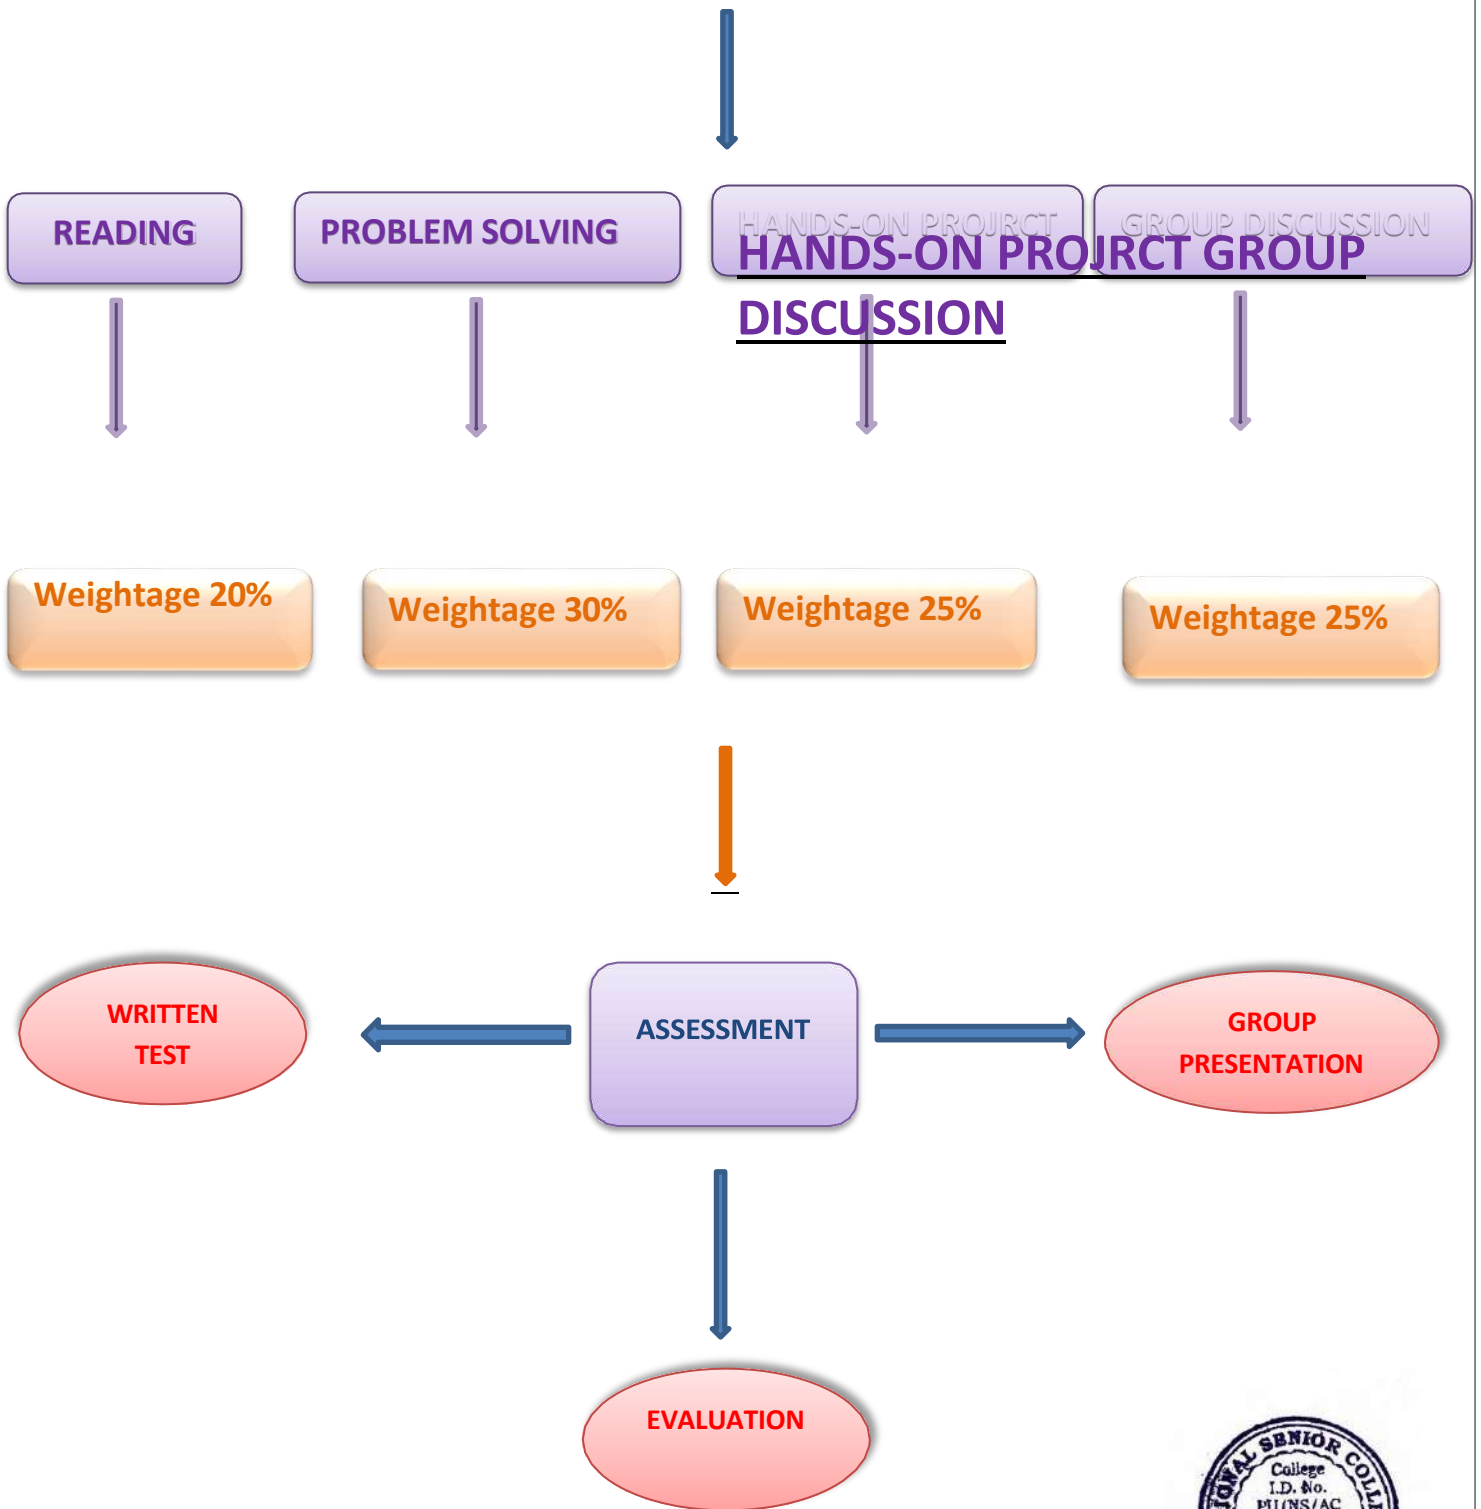

- ✓ Providing enriched learning materials and advanced coursework.
- ✓ Encouraging independent research projects and study opportunities.
- ✓ Offering mentorship and guidance for pursuing additional academic challenges.

### Conclusion:

Recognizing the diverse learning paces within the B.Sc. department is crucial for fostering an inclusive and effective academic environment. By implementing tailored strategies for both slow and advanced learner students, educators can ensure that each student receives the support and challenges needed for their individual growth and success.

# VARIOUS ACTIVITIES

Short Report: Tailoring Education for Individual Growth

Our study delves into the correlation between learning activities, assessments, and outcomes for advanced and slow learners. Assigning weightages to various activities highlighted their relative importance in the learning process.

Assessments, including written tests, practical exams, and continuous evaluation, revealed distinct patterns in performance. Advanced learners consistently excelled, while slow learners faced challenges in specific areas.

	<b>SLOW LEARNER</b>	<b>ADVANCED LEARNER</b>
<b>OUTCOME</b>	Varied performance in assessment. Straggles in specific areas.	High scores in assessment. Demonstrates understanding across activities.
<b>IMPROVEMENT STRATEGIES</b>	Personalized support Remedial sessions	Enrichment activities Advanced challenges

To address these differences, improvement strategies were identified. Advanced learners benefit from enrichment activities and advanced challenges, fostering continuous growth. Slow learners, however, require personalized support and targeted remedial sessions to overcome hurdles and enhance overall understanding.

This holistic approach emphasizes the need for tailored educational methods, recognizing individual strengths and challenges to create a more inclusive and effective learning environment.

**CLASS: F.Y.B.Sc.**

**SUBJECT: Physics and Chemistry**

**Date: 17-08-2023**

---

**Chemistry**

**Q.1. Solve the following. (any five)**

**5 Marks**

1. What are isomers?
2. Define atom.
3. What is molecular formula for alkane?
4. Write chemical formula for Hydrochloric acid.
5. Define osmotic pressure.
6. Draw structure for toluene.

**Physics**

**Q.2. Solve the following. (any five)**

**5 Marks**

1. Define displacement.
2. What is current?
3. Write down speed of light.
4. State ohm's law.
5. Define Scalars and Vectors.
6. What are polar molecules?

Practice Test  
**BRIDGE COURSE(2023-24)**

Answer the following questions.

[10]

(Each question carry 1 marks)

1. When a system contains only one phase it is called \_\_\_\_\_

- a) Homogeneous
- b) Heterogeneous
- c) Isolated
- d) Open

2) property of system whose value is dependent on the \_\_\_\_\_

- a) conc. of substance
- b) Volume
- c) Amount of substance
- d) Density

3) a process in which the pressure of the system remains constant is called \_\_\_\_\_

- a) Isobaric
- b) Isochoric
- c) Isothermal
- d) Adiabatic

4) The electrolyte which dissociates completely is known as \_\_\_\_\_

- a) Weak electrolyte
- b) Strong electrolyte
- c) Moderate electrolyte
- d) None of the above

5) PH of 0.001M HCl is \_\_\_\_\_

- a) 1    b) 2    c) 3    d) 4

6) Process in which the driving force from opposing force by a finite amount is called \_\_\_\_\_

a) Irreversible process                      b) isobaric process

b) Reversible process                      d) isochoric process

7) Energy of isolated system is \_\_\_\_\_

- a) Increases    b) decreases    c) constant    d) none

8) \_\_\_\_\_ is state function.

- a) entropy    b) heat    c) energy    d) none

9) For spontaneous process \_\_\_\_\_

- a)  $\Delta G < 0$     b)  $\Delta G > 0$     c)  $\Delta G = 0$     d)  $\Delta G > 1$

10) All naturally occurring reactions are \_\_\_\_\_

a) Exergonic    b) endergonic    c) are at equilibrium

d) neither exergonic neither endergonic

**NATIONAL SENIOR COLLEGE, NASHIK**  
National Campus, Sarda Circle, Maulana Azad Road, Nashik-422001  
Practice Test  
**BRIDGE COURSE(2023-24)**

Answer the following questions.

[10]

(Each question carry 2 marks )

- 1) Define melting point and boiling point.
- 2) Draw cyclopropane and what is internal angle of it?
- 3) Draw the structure of 2-methyl pentane and 3-methyl pentane.
- 4) Define geometrical isomerism and write its type .
- 5) Prepare acetylene from methane.

[10]

Answer the following questions.

(Each question carry 2 marks)

1. Define melting point and boiling point.

Ans: Melting point is defined as the temperature at which solid converts into liquid.

Boiling Point is defined as the temperature at which the vapour pressure of the liquid becomes equal to the atmospheric pressure.

2. Draw cyclopropane and what is internal angle of it?

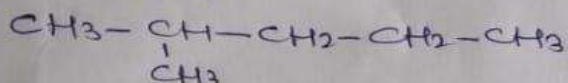

cyclopropane.

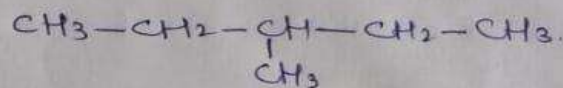

Internal angle is  $60^\circ$ .

3. Draw the structure of 2-methyl pentane and 3-methyl pentane.

2-methyl pentane

3-methyl pentane.

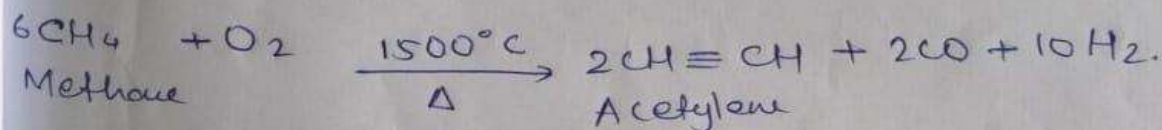

4. Define geometrical isomerism and write its type.

The hindered or restricted rotation about the carbon carbon double bond ( $\text{C}=\text{C}$ ) gives rise to special type of isomerism called Geometrical Isomerism.

1) Cis-Isomer: Similar groups on the same side of double bond.

2) Trans-Isomer: Different group on the <sup>similar</sup> opposite side of double bond.

5. Prepare acetylene from methane.

Methane reacts with  $\text{O}_2$  under temperature around  $500^\circ\text{C}$  to form acetylene.

**Program Name:** "Five Day Lecture Series on How to Prepare for Competitive Exams"

**Program Date:** From 18<sup>th</sup> March 2024 to 22<sup>nd</sup> March 2024

**Venue:** College Campus of Youth Education and Welfare Society's National Senior College, Nashik.

**Honourable Guest:** Dr. S.B Nahire, Principal

**Faculty Members Present:** Asst. Prof. L.V Patil

Asst. Prof. Lubna Khan

Asst. Prof. Aaiza Shaikh

Asst. Prof. Noor Mohammad

Asst. Prof. Tabassum Peerzade

Asst. Prof. Akshay Bhalekar

**Program:**

A 5 day guidance lecture series on "How to Prepare for Competitive Exams" was held from Monday 18th March 2024 to 22<sup>nd</sup> March at YEWS National Senior College. The Program started as dignitaries arrived at the seminar hall at 10:30 am. Asst. Prof. Akshay Bhalekar , Co-ordinator of Competitive Exam Cell from Department of Economics of YEWS, National Senior College welcomed guest Dr. S.B Nahire , Principal (YEWS National Senior College) and other staff members .

The program was followed by enlightening the students with the purpose and importance of a "Competitive Exam Cell". Then a detailed lecture was delivered by Asst. Prof. Akshay Bhalekar on competitive examinations preparation, various stages of preparation, and sources of study. Asst.Prof. Lubna Khan delivered lecture on soft skills and interview preparation. Asst. Prof. Aaiza Shikh on importance of English language, essay prepertaion for the examination. Asst.Prof. L.V. Patil sir delivered a lecture on Indian Polity and Constitution.After the lecture students were encouraged to get benefits for their competitive exam preparations from the competitive exam cell. The program was further continued by our guest who graced us with their valuable words.

The program marked it conclusion by giving vote of thanks.

### About the Institution and College

Youth Education and Welfare Society's National Senior College has established in 2007 with the specific objectives that creating an environment that provides all students of minority with a very real opportunity to pursue their personal potential. Youth Education & Welfare Society has done pioneering work in the field of education for the socially and economically weaker section of the society. The YEWS is both a religious minority institution established under the Article 30(1) of the Constitution of India.

Our college is known for its quality education with the best possible infrastructure, environment and discipline, giving opportunities for all round development of student's personality. For quality enhancement we have completed NAAC process last academic year. College is accredited with "B" grade. college are impressed by the positive, friendly and purposeful atmosphere that they experience here. This comes from the warm and respectful relationships amongst respected management, staff and students, creating an inclusive learning community in which each person is valued and encouraged to achieve their full potential.

## Youth Education & Welfare Society's National Senior College, Nashik – 01

Date:21/02 /2024

### One Day National Level Seminar On **Azadi Ke Baad Barr-e-Sagheer Mein Urdu Adab**

A one-day national seminar organized by the Urdu department of the college and IQAC was organized on Saturday, February 17, at 10 am in the seminar hall of the college, in which literary experts from many parts of the country participated. Names of Dr. Aleemullah Hussaini (Bijapur, Karnataka), Dr. Yusuf Sabir (JJT University, Rajasthan), Dr. Sajid Ansari (Maligaon), Dr. Fahmeda Ansari (Maligaon) and Dr. G N Shaikh (Sholapur) are worth mentioning. The seminar started with the opening ceremony, which was conducted by Peerzade Tabassum, teacher of the Urdu department. The event was held under the chairmanship of His Excellency Mr. Nasir Pathan, President of Youth Education and Welfare Society (YEWS), other guests included resource persons, Mr. Sheikh Sohail Umar (Vice President, YEWS), Mr. Gause Ala Noor (Treasurer, YEWS) and Mr. Saleem Sayyed (Member Management, YEWS) was present. The inaugural program started with recitation by FYBA student Aasiya, while SYBA student Khalid bin Aslam offered Naat Sharif in his melodious voice. Assistant Professor Noor Muhammad (HOD Urdu Department) presented the aims and objectives of the program. While Principal of the college Dr. SB Nahire presented the welcome note. Mr. Gause Ala Noor, the treasurer of Youth Education and Welfare Society, gave an important talk about modern poetry in his expressive speech, and the President of the event, Mr. Nasir Pathan, discussed the historical nature of the program and the sweetness of Urdu language in his presidential address. He spoke encouragingly about the seminar in further discussion. In the opening ceremony, the

publication of the booklets of the papers presented in the seminar was also implemented, in which about forty research papers were published. The opening ceremony ended with a vote of thanks by Office Superintendent Mr. Majid Peerzade. After the opening ceremony, the technical sessions started, the details of which are as follows.

### **Technical Session I: -**

The first technical session was presided over by Dr. Ansari Sajid, Chairman, BOS (Urdu), SPPU Pune, while visiting from Bijapur, (Karnataka) Dr. Aleemullah Hussaini and The Deccan Muslim Institute, Pune came from Mr. Mohsin Raza Ziyai Among the keynote speakers of this session were those who read their papers in this session. Dr. Aleemullah Hussaini In his paper, he discussed the importance of Urdu literature after independence, while Mr. Mohsin Raza Ziyai on the impact of globalization on Urdu language literature after independence presented his study. At the end of the session, the president of the session, Dr Ansari Sajid, expressed his views and encouraged the paper writers. After the end of the first technical session there was a lunch break.

### **Technical Session II: -**

The second technical session started immediately after lunch which was presided over by Dr G N Shaikh, Chairman, BOS (Urdu) Sholapur University. Dr. among the important paper writers. Yusuf Sabir (Associate Prof., J.J.T University, Jhunjhnu, Rajasthan) and Dr. Ansari Fahmeeda (Associate Professor, JAT. Arts, Science & Comm College, Malegaon) and Mr. Names of Gulam Ahmed Khan (Pune) included.

Dr. Yusuf Sabir presented his study on important non-Muslim Urdu poets after independence while Dr. Ansari Fahmeeda gave an important talk on Azadi Ke Baad Urdu novel. Mr. Gulam Ahmed Khan also discussed the popularity of Urdu poetry while presenting his thesis on Urdu poetry after independence. At the end of the session the President of the session Dr G N Shaikh expressed his views on the papers presented in the session and appreciated the studies of the paper writers.

### **Technical Session III: -**

The third technical session was chaired by Mr. By Mohsin Raza Ziyai (The Deccan Muslim Institute, Camp, Pune). The main speakers of this session include Mr. Noor Mohammed (Asst Prof., YEWS National Senior College, Nashik) and Mrs. Samreen Shafeeque Ahmed (Asst Prof, MSG, Arts, Science & Comm College, Malegaon) is included.

Mr. Noor Mohammed presented his paper titled Parveen Shakir Ki Shayri Ka Jaiz and gave an important talk regarding Parveen Shakir Ki Shayri while Mrs. Samreen Shafeeque Ahmed presented her paper on Azadi Ke Baad Urdu Novelon Mein Khwateen Ka Kirdar and gave a serious talk. At the end of the session, the president of the session Mr. Mohsin Raza Ziyai appreciated the papers presented in the session and encouraged the paper writers.

### **Valedictory Function: -**

After the end of the technical session, the valedictory function started, which was anchored by the HOD of the Urdu Department, Assistant Professor Noor Mohammad. The function was presided over by the principal of the college, Dr. SB Nahire. In this event, apart from students, faculty members and resource persons of other colleges participating in the seminar expressed their views regarding the seminar.

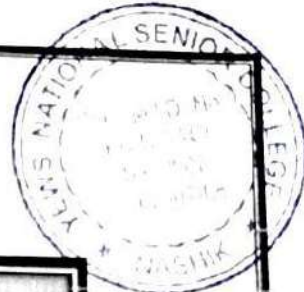

Dr. Ansari Fahmeeda declared the seminar a successful seminar in his comments and also advised the students to be involved in activities like the seminar while Dr. Yusuf Sabir gave an encouraging talk about the seminar in his comments and also presented his poetry which entertained the audience. Dr. Aleemullah Hussaini, who came from Bijapur (Karnataka), in his comments congratulated the principal of the college on the success of the seminar and wished him well. Dr. GN Shaikh, who came from Sholapur, congratulated the college management and the principal, describing the seminar as historic. In the end, the president of the session, Dr. SB Nahire, thanked all the participants, especially the

resource persons and faculty members. The session ended with a vote of thanks by OS Mr. Majid Peerzada.
