## ***PRINCIPAL DESK***

Dear students,

I am delighted to welcome you to National senior College of Arts, Commerce and Science. I hope you will find what you are looking for in our prospectus.

Education provides the tool and opportunity to fulfill one's dream. Education is the only means to change the outlook of the society. The quality education provides us various angles and promotes our thinking line for different avenues.

Education is first and foremost about student needs and creating an environment that provides all students with a very real opportunity to pursue their personal potential. For education to be at its most valuable experience and allow young people to pursue personal excellence across a range of context.

Our college is known for its quality education with the best possible infrastructure, environment and discipline, giving opportunities for all round development of student's personality. For quality enhancement we are facing **NAAC** this year. We want all of our students to experience a comprehensive and enriching education characterised by high academic standards, stimulating teaching and learning and extensive enrichment opportunities beyond the classroom. Guest, invited scholars and parent's who comes to the college are impressed by the positive, friendly and purposeful atmosphere that they experience here. This comes from the warm and respectful relationships amongst staff and students, creating an inclusive learning community in which each person is valued and encouraged to achieve their full potential.

I welcome you once again.

All the best!

Principal  
Prof. Ranjana Mahajan
