Report on "Cyber Security"

The Department of computer science organized a One-Day Workshop on "Cyber Security". The workshop was conducted by **An Brother e-learning Pvt Ltd, Nasik on 5th October 2023**. All the students of B.Sc (Computer Science) participated in the workshop and enhanced their awareness. The Program begun at 10.00 am with a welcome note by Nazmin Khan who welcomed the resource person, **Mr. Siddhant Gour, Principal Sir, Department HOD, Staff and 62 students** participated in the workshop. The main objective of this workshop is to demonstrate about what is cyber security, how it is used, importance of cyber security, which technology used in cyber security, types of Security and career in cyber security. The resource person demonstrated live hacking and made them aware about various ways like two-step verification, comment control, using a strong password etc. that they can adopt in order to avoid Cyber Crimes. He concluded the session by sharing some tips for internet banking and safe online transactions. He also shared the website for reporting Cyber Crimes. Internet is a technology, not a toy and we should harness it carefully. Your safety is in your hands. Stay alert, stay safe!

During the valedictory function, students expressed their views and gave feedback about the workshop. The Workshop was successfully concluded with a clear path for future keeping in mind student's well-being and responsibility towards timely and able guidance for our students to make them Practically Prepared for IT Companies'
