## Report on "Data Mining Workshop" Department of Computer Science and Computer Application

Add-on course on Data mining was conducted in YEWS National Senior College for BBA(CA) and BSc (Computer science) students, one hour per day. The course starts on 1-2-2018 to 17-2-2018. The session based on the need for Educational Data Mining (EDM) and Learning Analytics (LA) are research fields that focus on developing methodologies and tools to explore and analyze data gathered from educational settings. The students learn that The roots of EDM are in constructing, studying and improving intelligent tutoring systems that guide and teach students, while LA has roots in the analysis of data originating from different types of learning management systems with the goal of improving offered education. Methods and practices in both fields are very similar, and various forms of machine learning and data mining practices are in the very core of both fields. Students Learn about educational data mining and learning analytics.
