ANNUAL REPORT

(2015-16)

It is a matter of deep sense of satisfaction and a moment of pride to present the annual report of Youth Education and Welfare Society's National Senior College, Nashik for the year 2015- 2016. We are happy to present the achievements and the progress we have made during the year to improve our academic offerings and students learning experiences.

A big achievement of this year is that we opened a **Carrier Guidance Centre and Competitive Exam** Centre to guide the students about competitive exam. Under this centre we ran classes for guidance about various competitive exams by competent person.

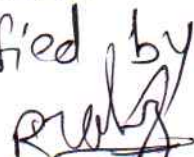

Our college departments were performed various activities like Swine Flu Awareness, International Women's Day, Youth Day, Blood Donation Camp, Health Checkup etc. Our departments are also organized industrial visits and study tours.

Department of Physical Education and Sports of National senior College has been consistently performing well since the inception of the college in the events like volley-Ball, badminton, cricket, chess, Tug of War, Basketball, Boxing, Weight lifting. Coaching, training classes were also organized by the Department to form all these teams. The teams participated at various levels like inter-college, states, nationals, throughout the year.

The NSS unit conducted 7 days camp, in which various programs and guest lectures are arranged. All village area is cleaned by students and inspire to students for work. They know about the village life very nearly.

I would like to conclude by once again extending my gratitude to Mr. Nasir Pathan President of Youth Education and Welfare Society, our GB Members and other dignitaries and all those associated with YEWS, who have believed in our vision of progress and perfection.

Thank You!
